

## **Billing Strategies, Challenges and Solutions**

*Brody Maack, PharmD, BCACP, CTTS*

This roundtable will expand upon the presentation on Friday, April 19<sup>th</sup>: “Navigating the Future: The Rise of Pharmacy Clinical Services Billing”. We will discuss in more detail the barriers and facilitators to changing workflow in order to implement a new clinical service, including medical billing. We will also discuss the upcoming implementation of HB 1095 (CMM Reimbursement Law).

### Discussion Questions:

1. How do you currently provide CMM services?
  - a. How will HB 1095 change how you provide CMM services?
  - b. What do you need to do to prepare for billing for CMM services?
  
2. When implementing a new clinical service, or trying to expand upon an existing one:
  - a. What has gone well (facilitators)?
  - b. What has been challenging (barriers)?
  - c. What solutions have you found help overcome barriers?
  
3. What resources would be helpful for implementing new clinical services?
  
4. What resources would be helpful for implementing medical billing practices?
