

## **How can Tech Check Tech evolve your pharmacy? It's time to Ignite your pharmacy: It's time to take action!**

Tech-Check-Tech (TCT) Round table discussion

*Diane Halvorson, RPh Tech, CPhT, Adv*

*Mandy (Amanda) Chase, RPh Tech, CPhT, Adv*

1. Discuss the current ND Rules for Tech-check-tech
  - a. Discuss with the participants recent updates to ND Rule: 61-02-07.1-12. Technicians checking technician
  - b. Discuss what these changes could mean in the day-to-day utilization of TCT
2. Review and provide access to the TCT toolkit
  - a. Discuss with participants the TCT committee that created the TCT toolkit
  - b. Discuss with participants what the TCT toolkit is
  - c. Discuss with participants how to access the TCT toolkit
3. Open discussion regarding areas that TCT could be a benefit to pharmacies including but not limited to inpatient, community, and closed-door pharmacies
  - a. First open discussion with participants to share their specific pharmacy setting
  - b. If participants do not want to share, we can use examples from the TCT pilot sites
4. Provide a copy of the TCT article that was published based on the information received from the TCT Committee project
